DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in
5 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is
eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e)
has been timely paid, the finality of the previous Office action has been withdrawn pursuant to
37 CFR 1.114. Applicant's submission filed on June 2, 2004 has been entered.

Amendment

10 2. Receipt of the amendment along with the filing of RCE is acknowledged. In the
amendment (which is identical to the amendment after final), claims 2 and 3 were canceled, and
claims 1, 4, and 7 were amended. Currently, claims 1 and 4-7 remain for examination.

Allowable Subject Matter

15 3. Claims 1 and 4-7 are allowed.

4. The following is the Examiner's statement of reasons for allowance: the claims are
directed at a smart card, particularly the smart card protecting the confidential information stored
in the smart card from power analysis. Smart cards with such features are generally known in
20 the art as they are previously and currently cited. However, the cited references, taken alone or
in combinations, fail to suggest or teach a smart card comprising an interface circuit which varies
supply voltage, the interface circuit further comprising a switch, a capacitor and a pulse
generator each of which carry out designed functionalities as set forth in the claims.

Art Unit: 2876

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
